Dear Ms. Dortch:

On September 22, Alan Buzacott and the undersigned of Verizon, Jeff Lanning of CenturyLink, Hank Hultquist, Cathy Carpino, and David Hostetter of AT&T, Mike Saperstein of Frontier, and Eric Einhorn and Malena Barzilai of Windstream, met with Carol Matthey, Patrick Halley, Amy Bender, Michele Bedlove, Ted Burmeister, Joe Cavender, Katie King, and Alex Minard, all of the Wireline Competition Bureau. The purpose of the meeting was to discuss America's Broadband Connectivity Plan ("ABC Plan"). Specifically, we discussed potential changes to Part 54 and other provisions of the Commission's rules that may be necessary to implement the universal service reforms described in the ABC Plan and appropriate timelines for the various USF transitions in the Plan. We also discussed, generally, new applications for competitive ETC designations and potential broadband deployment and service reporting by funded providers.

Should you have any questions, please contact me at 703-351-3071.

Sincerely,

/s/ Chris Miller
